and effect until all Guaranteed Obligations have been satisfied and performed in full, without regard to any event whatsoever (whether or not the Guarantor shall have any knowledge or notice thereof or shall have consented thereto), including, without limitation:

(i) any amendment or modification of, or supplement to, the LLC Interest Sale Agreement, the LLC Agreement, the Participation Agreement or any of the other Ancillary Documents to which the Company or Member is or, contemporaneously with the consummation of the transactions contemplated in the LLC Interest Sale Agreement, will be a party, any assignment or transfer of any of the rights, obligations, duties or covenants of any party to the LLC Interest Sale Agreement, the LLC Agreement, the Participation Agreement or any of the other Ancillary Documents to which the Company or Member is or, contemporaneously with the consummation of the transactions contemplated in the LLC Interest Sale Agreement, will be a party, any renewal or extension of time for the performance of any of the Guaranteed Obligations, or any furnishing or acceptance of security so furnished or accepted for any of the Guaranteed Obligations;

(ii) any waiver, consent, extension, forbearance, release or substitution of security or other action or inaction under or in respect of the LLC Interest Sale Agreement, the LLC Agreement, the Participation Agreement or any of the other Ancillary Documents to which the Company or Member is or, contemporaneously with the consummation of the transactions contemplated in the LLC Interest Sale Agreement, will be a party or this Guaranty, or any exercise of, or failure to exercise, any right, remedy or power in respect hereof or thereof;

(iii) any bankruptcy, insolvency, marshaling of assets and liabilities, arrangements, readjustment, composition, receivership, assignment for the benefit of creditors, liquidation or similar proceedings with respect to the Company or Member or any of their Affiliates or the Guarantor;

(iv) the dissolution, sale or other disposition of all or substantially all of the assets of any of the Company or Member or any of their Affiliates or the Guarantor;

(v) any default by the Company or Member or any of their Affiliates or the Guarantor under, or any invalidity or any unenforceability of, or any misrepresentation by the Company or Member or any of their Affiliates or the Guarantor in, or any irregularity or other defect in, the LLC Interest Sale Agreement, the LLC Agreement, the Participation Agreement or any of the other Ancillary Documents to which the Company or Member is or, contemporaneously with the consummation of the transactions under the LLC Interest Sale Agreement, will be a party or this Guaranty or any other instrument or agreement; or

(vi) any other event, action or circumstance that would, in the absence of this Section 2(d)(vi), result in the release or discharge of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guaranty or otherwise constitute a defense to this Guaranty.

Any term of this Guaranty to the contrary notwithstanding, if at any time any amount (constituting a Guaranteed Obligation) paid or payable by Member or the Company is rescinded or must otherwise be restored or returned, whether upon or as a result of the appointment of a custodian, receiver or trustee or similar officer for Member or the Company or any substantial part of any of their assets, or the insolvency, bankruptcy or reorganization of Member or the Company or otherwise, the Guarantor's obligations hereunder with respect to such payment shall be reinstated as though such payment had been due but not made at such time.

3. **Obligations Independent.** The obligations of the Guarantor hereunder are independent of the obligations of any other guarantor, the Company or Member. Separate action or actions may be brought and prosecuted against the Guarantor, whether or not action is brought against the Company or the Member and whether or not the Company or Member be joined in any such action or actions.

4. **Representations and Warranties of the Guarantor.** The Guarantor represents and warrants as follows:

4.1 **Capacity, Enforceability and Consents.**
