## ARTICLE II

### PARTICIPATION INTERESTS

Section 2.01 Acquisition and Sale. The Company hereby irrevocably grants, conveys, transfers and assigns to Participant, and Participant hereby irrevocably acquires and takes from the Company, the Participation Interest. It is the intention of the parties hereto that the conveyance of the Participation Interest as contemplated by this Agreement shall constitute a conveyance, transfer and assignment of that Participation Interest, including a beneficial interest in the Loans and the Loan Proceeds as and to the extent provided under New York law, from the Company to Participant and that such Participation Interest (including such beneficial interest in the Loans) shall not be part of the Company’s estate, as determined pursuant to 11 U.S.C. § 541(d), as amended, in the event of the filing of a bankruptcy petition by or against the Company under any bankruptcy law.

Section 2.02 Participant’s Share. The Participation Interest shall entitle Participant to receive 60% of all remaining Loan Proceeds, after reimbursement of Company Advances as and to the extent permitted by Section 3.03, until the later to occur of (i) the receipt by Participant of the Recovery Threshold Amount, after aggregating the proceeds received by Participant from the sale of the LLC Interest (before deducting any fees due to advisers), the proceeds received by Participant from the Final LIP Distribution Amount, and the proceeds received by Participant from Participant’s share of Loan Proceeds and (ii) the date that is one (1) year after the Effective Date and, thereafter (automatically and without any action on the part of any Person), 40% of all remaining Loan Proceeds (such percentage shares, the “Participant’s Share”). Upon the later to occur of (x) the receipt by Participant of the Recovery Threshold Amount and (y) the date that is one (1) year after the Effective Date, unless the Recovery Threshold is achieved as a result of a single sale of the remaining Loans and Acquired Collateral following a Clean-Up Call, Participant shall submit its Participation Certificate to the Company for replacement, and the Company shall issue a new Participation Certificate to Participant evidencing the change in the Participant’s Share from 60% to 40%.

Section 2.03 Participation Certificates.

(a) Issuance of Certificate. The Participation Interest shall be evidenced by a Participation Certificate executed and delivered to Participant by the Company in the form of Exhibit D attached hereto (as the same may be replaced from time to time, the “Participation Certificate”).

(b) Register. The Company shall maintain a register in which ownership of the Participation (including all transfers of all or any part thereof) is recorded. The Company and any agent of the Company may treat as the owner of the Participation the Person in whose name the Participation is registered on the register on any applicable date for the purpose of receiving payments under such Participation and on any other date for all other purposes.

(c) Missing, Damaged and Destroyed Certificates. Upon the surrender of any mutilated Participation Certificate to the Company, or upon the receipt by the Company of evidence satisfactory to it that a Participation Certificate has been destroyed, lost or stolen, the Company shall replace the damaged, lost, stolen or destroyed Participation Certificate.

Section 2.04 Nature of Participation. Except as is expressly provided in this Agreement, the Participation Interest shall not impose any obligations or liabilities on Participant with respect to the Loans and Participant shall not be liable for or obligated to pay (and the Participant’s Share shall not be reduced by) any funding obligations of the Company or any costs or expenses incurred in connection with the ownership, servicing, management or administration of the Loans.

Section 2.05 Company as Lender of Record; Third Parties. Notwithstanding the Participation Interest in favor of Participant created by this Agreement, the Company shall be and remain the lender under the Loans, retaining the Loans and the Loan Documents in the Company’s own name (or in the name of MERS as nominee). The Company shall be, and hereby is, authorized to deal with all third parties, including Borrowers, Guarantors, and parties to intercreditor agreements. Participant hereby authorizes any third party, without inquiry as to whether any action by the Company is authorized hereunder, to deal with the Company concerning the Loans in the same manner as if Participant’s Participation Interest therein were not outstanding. As between Participant and the Company, nothing in the foregoing shall modify any obligation of Participant to the Company or of the Company to Participant set forth in this Agreement or any Ancillary Document. Subject to Participant’s obligations to provide interim servicing with respect to the Loans under the Contribution Agreement, all communications with Borrowers shall be made by (or on behalf of) and through the Company, and Participant shall not communicate directly with any Borrower, Guarantor or any of their respective principals, or any property manager or leasing agent or any broker for the Collateral or any part thereof, regarding this Agreement or Participant’s Participation Interest, or cause any Borrower to be involved in or affected by any dispute between Participant and the Company.

Section 2.06 Security Interest. This Agreement shall constitute a security agreement under applicable Law and, in furtherance thereof the Company shall be deemed to have granted, and does hereby grant, to Participant a perfected first priority security interest in the Loans (and all Loan Documents) and all proceeds thereof for the benefit of Participant and its assignees as

security for the Company's obligations under this Agreement, including its obligation to pay the Participant's Share hereunder. All of the Notes and other Custodial Documents shall be held by a document custodian as set forth in Section 8.01(c) (except and to the extent the same are permitted to be removed from the document custodian's possession as provided in the Custodial Agreement). The Participant shall retain possession of the Notes and other Custodial Documents with respect to the Loans until such time as the Company retains the document custodian pursuant to the provisions of Section 8.01(c) and, at such time, shall cause the document custodian to take possession of the Notes and other Custodial Documents with respect to the Loans on behalf of Participant. The Company hereby authorizes the filing by Participant of such financing statements in such jurisdictions as Participant deems appropriate (in its sole and absolute discretion) with respect to the Loans, the Loan Documents and the proceeds of the Loans. The Company shall deliver to Participant, (i) for each Loan, an allonge, endorsed in blank, and executed by the Company, and (ii) for each Loan that is not registered on the MERS® system, an assignment, in blank, and executed by the Company. Such allonges and assignments shall be held by the document custodian with the Notes and other Custodial Documents. Participant shall not use the allonge to effect the endorsement of a Note or the assignment to effect the assignment of a mortgage to Participant unless Participant is entitled to exercise its rights as a secured party. The Company shall also execute and deliver to Participant, and cause the Contract Servicer to execute and deliver to Participant, the Electronic Tracking Agreement. The Company shall be designated as the "servicer" with respect to the Loans on the MERS® system, and the Contract Servicer shall be designated as the "subservicer" with respect to the Loans on the MERS® system. No other Person shall be identified on the MERS® system as having any interest in any of the Loans. The Company shall provide Participant with such reports from the MERS® system as Participant, from time to time, may request, including to allow Participant to verify the Persons identified on the MERS® system as having any interest in any of the Loans and to confirm that the Loans required to be registered on the MERS® system are so registered. Without limiting the foregoing, upon the request of Participant, the Company shall cause MERS to run a query with respect to any and all specified fields on the MERS® system with respect to any or all of the Loans registered on the MERS® system and provide the results to Participant and, if requested by Participant, shall cause MERS to change the information in such fields, to the extent MERS will do so in accordance with its policies and procedures, to reflect its instructions.

### ARTICLE III

#### **DISBURSEMENTS; REIMBURSEMENTS**

Section 3.01 Advances To Be Company Obligation. Subject to the obligations of Participant to provide interim servicing for the Loans under the Contribution Agreement, and subject to the provisions of Section 3.03, all disbursements and advances under any Loan that are made to or for the account of Borrowers pursuant to the Loan Documents after the date hereof, and all other advances required to be made by (or on behalf of) the Company pursuant to this Agreement, shall be funded by (or through or on behalf of) the Company, and not by Participant or through any reduction in Participant's Share or the amounts due hereunder.

Section 3.02 Advances. The Company shall cause all Borrower Reimbursable Costs (including Escrow Advances) and Post-Acquisition Costs to be funded and advanced in

accordance with the Loan Documents and the terms of this Agreement (including as is necessary to comply with the Servicing Standards). Notwithstanding anything to the contrary contained herein, in no event shall the Company be obligated to advance any Borrower Reimbursable Costs or Post-Acquisition Costs if the Company determines, in its discretion exercised in accordance with the Servicing Standards, that such amount, when combined with all previous such Company Advances and MSMC Advances for such Loan, would not ultimately be recoverable from the Loan Proceeds from such Loan (including from the related Collateral).

Section 3.03 Borrower Reimbursable Costs and Post-Acquisition Costs.

(a) Permitted Reimbursements. If a Company Advance is authorized pursuant to the Loan Documents to be reimbursed or paid from the Loan Proceeds from that Loan then, subject to any requirements of the Loan Documents, the Company may be reimbursed for such Company Advance from the Loan Proceeds, without any specific consent or authorization from Participant. Notwithstanding the foregoing, Company Advances shall be paid or reimbursed to the Company first from any repayment thereof by the applicable Borrower and then from the Loan Proceeds. The Company shall not otherwise be entitled to reimbursement or payment of Company Advances.

(b) Costs That Are Not Reimbursable. Notwithstanding anything else to the contrary contained herein or in any Ancillary Document, in no event (i) shall MSMC Advances be treated as Company Advances; (ii) shall Participant have any liability for any Borrower Reimbursable Costs or Post-Acquisition Costs other than to the extent the same may be reimbursed from Loan Proceeds as and to the extent expressly provided for in this Section 3.03; (iii) shall any of the following be treated as Company Advances or be reimbursable to the Company: any fine, tax or other penalty, late fee, service charge, interest or similar charge, costs to release Liens or any other costs or expenses incurred by or on behalf of the Company as a result of the Company's or any Contract Servicer's or subservicer's failure to service any Loan or Collateral properly in accordance with the applicable Loan Documents, this Agreement or otherwise, or failure to make a payment in a timely manner, or failure otherwise to act in a timely manner; and (iv) are any advances made by (or on behalf of) the Company to bear interest that is charged or chargeable in any way to Participant.

Section 3.04 Authorized Funding Draws. The Company shall cause Authorized Funding Draws to be disbursed from the LIP Account in accordance with Section 4.03, as and when requested by or on behalf of the Borrower.

## ARTICLE IV

### ALLOCATIONS; ACCOUNTS

Section 4.01 Allocations and Distributions.

(a) Allocations. After reimbursement of Company Advances as and to the extent permitted by Section 3.03, the remaining Loan Proceeds (including any recoveries of MSMC Advances) shall be allocated as follows: Participant shall be allocated and entitled to receive the Participant's Share and, following the disbursement of the Participant's Share (and

not until the Participant's Share has been disbursed to Participant), the remaining Loan Proceeds shall be for the benefit of the Company (such proceeds, the "**Company's Share**").

(b) **Distributions**. The Company shall cause to be forwarded to Participant on or prior to the fifteenth (15) day of each month (or if the fifteenth (15th) day is not a Business Day, the immediately following Business Day of the month), commencing on May 15, 2008, Participant's Share of all Loan Proceeds received in the prior calendar month. All amounts due to Participant under this Agreement shall be remitted by wire transfer, in immediately available funds, to such account or accounts as Participant may, from time to time, direct. Upon the receipt by Participant of the Participant's Share of Loan Proceeds, Participant shall be deemed to have released its security interest in the Company's Share with respect to such Loan Proceeds and the Company's Share may be disbursed to the Company. At such time as a Loan or the related Collateral is liquidated in its entirety (and the balance of the Loan reduced to zero, all related Collateral is sold or otherwise disposed of in accordance with this Agreement, a discounted payoff is accepted as payment in full, or the Loan is otherwise satisfied or discharged or the remaining balance charged-off in accordance with this Agreement), and upon receipt by Participant of the Participant's Share with respect thereto, Participant shall be deemed to have released its security interest in the Note related to such Loan and the Company's Share with respect to such Loan Proceeds. At such time, the Company may (and is hereby authorized by Participant to) request the release of such Note from the document custodian.

Section 4.02 **Collection Account**. The Company shall establish and, until such time as the Contract Servicer is retained, maintain and, thereafter, cause the Contract Servicer to maintain the Collection Account, held in trust for the benefit of Participant and the Company. The Company shall cause all Loan Proceeds to be deposited into the Collection Account on a daily basis. No funds from any other source (other than interest or earnings on the Loan Proceeds) shall be commingled in the Collection Account. Amounts on deposit in (or that are required to have been deposited into) the Collection Account (including interest and earnings thereon) shall be allocated and may be withdrawn and disbursed only in accordance with the provisions of **Section 4.01**; **provided, however**, that if the Company, a Contract Servicer or a subservicer at any time erroneously deposits any amount into the Collection Account, it may withdraw such amount. Amounts on deposit in the Collection Account shall be invested in Permitted Investments, but with a maturity that allows for their allocation and distribution on a monthly basis in accordance with **Section 4.01**. The Contract Servicer shall be authorized and directed to withdraw funds from the Collection Account only to make disbursements in accordance with this Agreement and not for any purpose.

Section 4.03 **LIP Account**. The Company shall establish and, until such time as the Contract Servicer is retained, maintain and, thereafter, cause the Contract Servicer to maintain the LIP Account, held in trust for the benefit of Participant and the Company.

(a) The LIP Account shall be funded at such time as the LLC Interest is sold (or such later time as is agreed to by Participant and the Company) with an initial principal amount of \$8,384,749.56 (the "**LIP Funds**"), as follows: Participant shall deposit cash in the amount of \$5,030,849.74 (an amount equal to 60% of the initial principal amount of the LIP Account) into the LIP Account, and the Company shall deposit cash in the amount of \$3,353,899.82 (an amount equal to 40% of the initial principal amount of the LIP Account) into

the LIP Account. No funds from any other source (other than interest or earnings on the LIP Funds) shall be commingled in the LIP Account.

(b) Withdrawals. The Contract Servicer shall be authorized, at the Company's direction, to withdraw funds (or to make draw requests on the escrow agent for funds) from the LIP Account only to make Authorized Funding Draws, and the LIP Account and the LIP Funds shall not otherwise be used for any purpose. The Company shall not permit withdrawals from the LIP Account for any other purpose. On the Servicing Transfer Date, Participant shall be reimbursed from the LIP Account an amount equal to the Authorized Funding Draws made by it at any time after March 31, 2008 and on or before the Servicing Transfer Date.

(c) Investment of LIP Funds. The LIP Funds shall be invested in Permitted Investments, but with a maturity that allows for (i) distribution of the LIP Funds as and when needed to make Authorized Funding Draws and (ii) liquidation of the LIP Account and distribution of the remaining LIP Funds as required by this Section. On the date that is one (1) year after the Effective Date, unless otherwise agreed by the parties, the LIP Account shall be liquidated (and no further Authorized Funding Draws may be made on or after such date), and all remaining LIP Funds then on deposit in the LIP Account, including all interest and earnings thereon, shall be distributed. Interest and earnings on the LIP Funds and the final distribution of cash remaining upon the liquidation of the LIP Account (the "**Final LIP Distribution**") shall be distributed 60% to Participant and 40% to the Company along with Participant's Share and the Company's Share of Loan Proceeds (in accordance with Section 4.01) for the month in which the LIP Account is liquidated.

## ARTICLE V

### SERVICING OBLIGATIONS OF THE COMPANY

Section 5.01 Appointment and Acceptance as Servicer. Effective as of the Cut-Off Date, the Company is appointed (and accepts the appointment as) servicer for the Loans and any Collateral (sometimes referred to herein as the "servicer").

Section 5.02 Servicing Standards. The Company shall be responsible for servicing the Loans and the Collateral in accordance with the provisions of this Section 5.02 (collectively, the "**Servicing Standards**") and the other provisions of this Article 5, including the provisions of Section 5.03 (which require that servicing be performed through a Contract Servicer). The Company shall cause the Loans and the Collateral to be serviced, administered, managed and disposed of (collectively, the "servicing obligations") (i) in the best interests and for the benefit of Participant and the Company, (ii) in accordance with the terms of the Loans (and related Loan Documents), (iii) in accordance with the terms of this Agreement (including Article III and Article IV and this Article V), (iv) in accordance with all applicable Law, (v) in compliance with the Statement on Loss Mitigation Strategies for Servicers of Residential Mortgages (September 2007), issued by the federal financial institutions regulatory agencies and the Conference of State Bank Supervisors, and the Statement on Working with Mortgage Borrowers (April 2007), issued by the federal financial institutions regulatory agencies (collectively, the "**Guidelines**"), and, (vi) to the extent consistent with the foregoing terms, in the same manner in which a prudent servicer

would service and administer similar loans and in which a prudent servicer would manage and administer similar properties for its own portfolio, but using no less care and diligence than would be customarily employed by a prudent servicer following customary and usual standards of practice of prudent mortgage lenders, loan servicers and asset managers servicing, managing and administering similar loans and properties on an arms' length basis, provided that in the absence of a customary and usual standard of practice, the Company shall comply with the Fannie Mae Guidelines applicable to similar Loans or Collateral in similar situations. The Company shall cause its servicing obligations with respect to the Loans and the Collateral to be performed without regard to (i) any relationship that the Company, or any Contract Servicer or subservicer, or any of their respective Affiliates may have to any Borrower, Guarantor or other obligor, or any of their respective Affiliates, including any other banking or lending relationship, (ii) the Company's, or any Contract Servicer's or subservicer's, obligation to make disbursements and advances with respect to the Loans and Collateral, (iii) any relationship that the Contract Servicer or any subservicer or any of their respective Affiliates may have to the Company or any of its Affiliates, and (iv) the Company's, or any Contract Servicer's or subservicer's, right to receive compensation (including any portion of the Company's Share) for its services. Without limiting the generality of the foregoing, the Company's servicing obligations hereunder shall include the following:

(a) discharging in a timely manner each and every obligation which the Loan Documents provide is to be performed by the lender thereunder, on its own behalf and on behalf of Participant;

(b) incurring costs (including Borrower Reimbursable Costs and Post-Acquisition Costs) in accordance with the provisions of the Loan Documents;

(c) causing to be maintained for the Collateral (including any Acquired Collateral) with respect to each Loan with respect to which the Borrower has failed to maintain required insurance, fire, hurricane, flood and hazard insurance with extended coverage as is customary in the area in which the Collateral is located and, except as is otherwise agreed by Participant in writing, in an amount which is at least equal to the lesser of (i) the current principal balance (including, with respect to any second or other junior lien Loan, the outstanding principal balance of the related first or other senior lien Loans) of such Loan or, if a Loan has been converted to Acquired Collateral, the outstanding principal balance (including, with respect to any second or other junior lien Loan, the outstanding principal balance of the related first or other senior lien Loans) of the Loan at the time that the Loan was converted to the Acquired Collateral, (ii) the maximum insurable value of the improvements which are part of the Acquired Collateral, and (iii) the amount necessary to compensate fully for any damage or loss to improvements which are part of the Collateral on a replacement cost basis, in each case (i), (ii) and (iii) in an amount not less than such amount as is necessary to avoid the application of any coinsurance clause contained in the related hazard insurance policy; provided, that in the event the Company (or any Contract Servicer or subservicer) or any Ownership Entity maintains a blanket policy with an insurer which provides for a deductible, the Company (and not Participant) shall be liable for the amount of any deductible, and shall deposit as Loan Proceeds into the Collection Account from its own funds the amount not otherwise covered by such policy because of such deductible clause;

(d) ensuring compliance with the terms and conditions of each insurer under any hazard policies and prepare and present claims under any policy in a timely fashion in accordance with the terms of the policy;

(e) supervising and coordinating the construction, ownership, management, leasing and preservation of the Collateral as well as all other matters involved in the administration, preservation and ultimate disposition of the Collateral;

(f) to the extent consistent with the foregoing, seeking to maximize the timely and complete recovery of principal and interest on the Loans and otherwise to maximize the value of the Loans and the Collateral;

(g) making all Authorized Funding Draws pursuant to the Loan Documents and this Agreement;

(h) except as otherwise set forth in this Agreement, making decisions under, and enforcing and performing in accordance with, the Loan Documents all loan administration, inspections, review of financial data and other matters involved in the servicing, administration and management of the Loans and the Collateral; and

(i) ensuring that all filings required to maintain perfection in any Collateral remain up to date and in force, including UCC financing statements.

Section 5.03 Retention of Contract Servicer. The Company shall enter into a servicing agreement (the "**Servicing Agreement**") to provide for the servicing and administration and management of the Loans and Collateral by a Qualified Servicer (the "**Contract Servicer**"). No less than five (5) days prior to entering into the Servicing Agreement, the Company shall provide a copy of the proposed Servicing Agreement to Participant and shall seek Participant's approval thereto (which approval shall not be unreasonably withheld, delayed or conditioned). The Company shall enter into the Servicing Agreement with the Contract Servicer no later than fifteen (15) days before the Servicing Transfer Date. Except for the period between the Cut-Off Date and the Servicing Transfer Date, during which time the Loans shall be serviced by Participant pursuant to its interim servicing obligations in the Contribution Agreement, the Loans shall at all times be serviced (and any Collateral managed) by or through the Contract Servicer (including any subservicers permitted hereunder) and the performance of all day-to-day servicing obligations of the Company shall be conducted by or through the Contract Servicer (including any subservicers permitted hereunder). Subject to the other terms and conditions of this Agreement, the Contract Servicer may be an Affiliate of the Company. The Contract Servicer may engage or retain subservicers, including Affiliates of the Company, as it may deem necessary and appropriate, provided that any subservicer meets the requirements set forth in clause (i) and, to the extent applicable to the services to be performed by such subservicer, clauses (ii) and (iii) of the definition of Qualified Servicer. The costs and fees of the Contract Servicer (and any subservicers) shall be borne exclusively by the Company (and not Participant and, except for Company Advances that are reimbursed in accordance with this Agreement, without reduction in Participant's Share or the amounts due hereunder with respect thereto). Under no circumstances is the Company to transfer to any Contract Servicer any ownership interest in the servicing to the Loans or any right to transfer or sell the servicing to the Loans

(other than in connection with the sale of any Loan), and no Contract Servicer shall assign, pledge or otherwise transfer or purport to assign, pledge or otherwise transfer any interest in the servicing to the Loans (other than in connection with the sale of any Loan), and any purported assignment, pledge or other transfer in violation of this provision shall be void *ab initio* and of no effect.

(a) Servicing Agreement Requirements. The Servicing Agreement (or any subservicing agreement with any subservicer) shall, among other things, (i) provide for the servicing of the Loans and management of the Collateral by the Contract Servicer (or subservicer) in accordance with the Servicing Standards and the other terms of this Agreement; (ii) be terminable upon no more than 30 days prior notice in the Event of Default or any default under the Servicing Agreement (or subservicing agreement); (iii) provide that Participant as well as the Company (and, in the case of any subservicing agreement, the Contract Servicer) shall be entitled to exercise termination rights thereunder; (iv) provide that the Contract Servicer (or subservicer) and the Company acknowledge that the Servicing Agreement (or subservicing agreement) constitutes a personal services agreement between the Company and the Contract Servicer (or between the Contract Servicer and the subservicer); (v) provide that Participant is a third party beneficiary thereunder and entitled to enforce the same; (vi) upon an Event of Default hereunder or any default under the Servicing Agreement (or any subservicing agreement), provide that Participant may exercise all of the rights of the Company (or, in the case of a subservicing agreement, the Contract Servicer) thereunder and cause the termination or assignment of the same to any other Person, without penalty or payment of any fee; (vii) provide that Participant (and its representatives) shall have access to and the right to review, copy and audit the books and records of Contract Servicer and any subservicers and that the Contract Servicer and all subservicers shall make available their respective officers, directors, employees, accountants and attorneys to answer Participant's (and its representatives') questions or to discuss any matter relating to the Contract Servicer's or subservicer's affairs, finances and accounts, as they relate to the Loans, the Collateral, the Servicing, or the Collection Account, or any matters relating to this Agreement or the rights or obligations hereunder (to the extent provided in Section 5.05); (viii) provide that all Loan Proceeds are to be deposited into the Collection Account on a daily basis and that under no circumstances are funds, other than Loan Proceeds and interest and earnings thereon, to be deposited into the Collection Account, and under no circumstances are any funds, other than LIP Funds and interest and earnings thereon, to be deposited into the LIP Account; (ix) provide that the Contract Servicer consents to the immediate termination of the Contract Servicer upon the occurrence of any Event of Default as described in Section 10.01(b); (x) provide that the Contract Servicer shall not transfer or assign its rights under the Servicing Agreement, other than its rights to delegate to subservicers certain responsibilities thereunder as and to the extent permitted by this Agreement, and that any prohibited transfer shall be void *ab initio*; (xi) provide that all of the Loans shall be registered on the MERS® system unless default, foreclosure or similar legal or MERS requirements dictate otherwise; and (xii) to provide for such other matters as are necessary or appropriate to ensure that the Contract Servicer is obligated to comply with the servicing obligations of the Company hereunder.

(b) Company Liable for Contract Servicer and Subservicers. Notwithstanding anything to the contrary contained herein, the use of the Contract Servicer (or subservicer) shall not release the Company from any of its servicing obligations or other obligations under this

Agreement, and the Company shall remain responsible and liable for all acts and omissions of the Contract Servicer (and each subservicer of the Contract Servicer) as fully as if such acts and omissions were those of the Company. All actions of the Contract Servicer (or subservicer) performed pursuant to the Servicing Agreement shall be performed as an agent of the Company (or, in the case of subservicers, the Contract Servicer).

(c) Participant Approval Required. Each Servicing Agreement, and all amendments and modifications thereto, and the selection of the Contract Servicer, regardless of whether the Contract Servicer is an Affiliate of the Company, shall be subject to the prior written approval of Participant (which approval shall not be unreasonably withheld, delayed or conditioned). A copy of all subservicing agreements shall be provided to Participant.

(d) Regulation AB Requirements. The Company shall ensure that each Contract Servicer (and any subservicer) (A) has in place policies and procedures to comply with the provisions of Section 1122(d)(1)(i) through (iv) of Regulation AB, and (B) complies with the provisions of Sections 1122(d)(2)(i) through (vii), 1122(d)(3)(i) through (iv), and 1122(d)(4)(i) through (xv) of Regulation AB (regardless of whether any such requirements apply, by their terms, only to companies registered or required to file reports with the Securities and Exchange Commission).

(e) Contract Servicer Fees. No Contract Servicer or subservicer shall be paid any fees or indemnified out of any Loan Proceeds other than that portion of the Loan Proceeds distributed to the Company in accordance with Section 4.01.

(f) MERS Requirements. The Loans shall be registered on the MERS® system unless default, foreclosure or similar legal or MERS requirements dictate otherwise.

Section 5.04 Fidelity Bond; E&O Insurance. The Contract Servicer and each subservicer shall at all times maintain in effect a blanket fidelity bond and an errors and omissions insurance policy affording, in each case, coverage with respect to all officers, directors, employees and other Persons acting on behalf of the Contract Servicer or the subservicer, as applicable, and covering errors and omissions in the performance of the Contract Servicer's, or the subservicer's, as applicable, obligations under this Agreement, the Servicing Agreement and any subservicing agreement. (e) Annual Compliance Report. On or before March 15 of each year, commencing in the year 2009, the Company shall cause each Contract Servicer and subservicer, each at its own expense or the expense of the Company, to provide a report on an assessment of compliance with the servicing requirements in this Agreement that contains (i) a statement by

Section 6.02 Acquisition of Collateral. Nothing in this Section 6.02 or anything else in this Agreement shall be deemed to affirmatively require the Company to cause to be acquired all or any portion of any Collateral with respect to which there exists any Environmental Hazards.

Prior to acquisition of title to any Collateral (whether by foreclosure, deed in lieu of foreclosure, by power of sale or by sale pursuant to the Uniform Commercial Code, or otherwise), the Company shall cause to be commissioned with respect to such Collateral either (i) a Transaction Screen Process consistent with ASTM Standard E 1528-06, by an environmental professional or (ii) such other site inspections and assessments as would customarily be undertaken or obtained by a prudent lender in order to ascertain whether there are any actual or threatened Environmental Hazards (a "**Site Assessment**"), and the cost of such Site Assessment shall be reimbursable as if it were a Company Advance as long as the costs for such Site Assessment were not paid to any Affiliate of the Company, or any Affiliate of the Contract Servicer or any subservicer. If title to any Collateral with respect to which there exists any Environmental Hazards is to be acquired by foreclosure, by deed in lieu of foreclosure, by power of sale or by sale pursuant to the Uniform Commercial Code, or otherwise, title to such Collateral shall be taken and held in the name of a limited liability company or such other entity that is a Single Purpose Entity as the Company may choose (the "**Ownership Entity**"), whether already in existence or formed by the Company for such purpose. The failure to obtain Participant consent as required by any provision of this Agreement and the failure to comply with the obligations in Section 8.01 shall be considered a material breach of this Agreement and gross negligence on the part of the Company. (c) Participant Liability Generally. In the event Participant exercises its rights pursuant to Article X, neither Participant nor any of its officers, directors, employees, attorneys or agents, including any Contract Servicer and any subservicer, shall be liable for any action taken or omitted to be taken by them or any one of them under this Agreement or in connection with any Loan or Collateral or any portion thereof, except for any act or omission constituting willful misconduct.

(d) No Consequential Damages. Regardless of the legal theory upon which any claim by or against the Company or Participant is based, including any claim based on contract, tort, strict liability, or fraud, neither Participant nor the Company shall be liable for, or may recover from the other, any amounts other than actual losses, costs and expenses (including reasonable attorneys' fees and litigation and similar costs to pursue such recovery) incurred by the party asserting the claim. Without limiting the foregoing, neither party shall be liable for, or entitled to recover from the other party, any consequential, special, indirect, punitive, treble, nominal or exemplary damages, business interruption costs or expenses, or damages for lost profits, operating losses or lost investment opportunity (regardless of whether any such damages are characterized as direct or indirect), each of which is and all of which are hereby excluded by agreement of Participant and the Company, regardless of whether the party against whom such damages may be claimed has been advised of the possibility of any such damages, unless (in each case) such losses are incurred by the party asserting the claim as a direct result of a claim asserted against such party by a third party. For purposes of this Section, claims asserted by a third party shall exclude, (A) with respect to the Company, (1) any claims asserted by any Contract Servicer or subservicer, (2) any Affiliate of the Company or any Contract Servicer or subservicer, and (3) any officer, director, employee, partner, principal or agent of the Company, any Contract Servicer or subservicer, or any Affiliate of the Company, any Contract Servicer or subservicer; and (B) with respect to Participant, any Affiliate or officer, director, employee, partner, principal or agent of Participant or any Affiliate.

## ARTICLE VIII

In the event that the Company (or its Contract Servicer) removes any Notes from the possession of the document custodian (which shall be done only in accordance with the Custodial Agreement), any loss or destruction of or damage to such Notes shall be the liability of the Company (who, along with its Contract Servicer shall be

responsible for safeguarding such Notes). If any Notes are removed in connection with the modification or restructuring of a Loan, the modified or restructured Notes shall be returned to the document custodian as soon as possible following the completion of the restructuring or modification. The Company shall ensure that Participant receives a copy of each demand, notice or other communication given under the Custodial Agreement at the time that such notice or other communication is given thereunder.

(d) Relationships with Borrowers, etc. The Company shall not, at any time, (i) be a partner or joint venturer with any Borrower, (ii) be an agent of any Borrower, or allow any Borrower to be an agent of the Company, or (iii) except as is otherwise contemplated by its ownership of the Loans and its right to hold Acquired Collateral, have any interest whatsoever in any Borrower, Guarantor or other obligor with respect to any Loan or any of the Collateral.

(e) No Conflicting Obligations. The Company shall not, at any time, enter into or become a party to any agreement that would conflict with the terms of this Agreement.

(f) Compliance with Law. The Company shall, at all times, comply with applicable Law in connection with the performance of its obligations under this Agreement.

(g) No Company Debt. Without limiting its obligation to constitute a Single Purpose Entity, the Company shall not, at any time, incur any Debt.

(h) No Dissolution or Liquidation. The Company shall not dissolve or liquidate at any time prior to such time as the Company makes the Final Distribution and this Agreement is terminated.

(i) No Bankruptcy Filing. The Company shall not (i) file a voluntary petition for bankruptcy, (ii) file a petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any Law, (iii) make an assignment for the benefit of creditors, (iv) seek, consent or acquiesce in the appointment of a trustee, receiver or liquidator or of all or any substantial part of its properties, (v) file an answer or other pleading admitting or failing to contest the material allegations of (A) a petition filed against it in any proceeding described in clause (i) through (iv), or (B) any order adjudging it a bankrupt or insolvent or for relief against it in any bankruptcy or Insolvency Proceeding, or (vi) allow itself to become unable to pay its obligations as they become due or allow the sum of its debts to be greater than all of its property, at a fair valuation.

(j) No Liens. The Company shall not place or permit (voluntarily or involuntarily) any Lien to be placed on any of the Loans, the Loan Documents or the Loan Proceeds (other than the security interest granted to Participant hereunder), and shall not take any action to interfere with Participant's rights as a secured party with respect to the Loans.

(l) MERS Member. The Company shall become a member of MERS on or before the Servicing Transfer Date and, for so long as this Agreement is in effect, maintain itself

Section 8.02 Indemnification.

(a) The Company shall indemnify and hold harmless Participant and Participant's Affiliates, and their respective officers, directors, employees, partners, principals, agents and contractors (the "**Indemnified Parties**") from and against any losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any of the foregoing), deficiencies, claims, interest, awards, judgments, penalties and fines (collectively, "**Losses**") arising out of or resulting from (i) any breach by the Company or any of its Affiliates or any of their respective officers, directors, employees, partners, principals, agents or contractors (including any Contract Servicer or subservicer) of any of the Company's obligations under or covenants or agreements contained in this Agreement (including any claim asserted by Participant against the Company to enforce its rights pursuant to Section 10.02 or by any third party and including any breach caused by any Contract Servicer or subservicer), or any third-party allegation or claim based upon facts alleged that, if true, would constitute such a breach, or (ii) any gross negligence, bad faith or willful misconduct (including any gross negligence, bad faith or willful misconduct of any Contract Servicer or subservicer and including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law). Such indemnity shall survive the termination of this Agreement. In order for an Indemnified Party to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a Loss or a claim or demand made by any Person against the Indemnified Party (a "**Third Party Claim**"), such Indemnified Party shall deliver notice thereof to the Company promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount of such claim (if known) and such other information with respect thereto as is available to the Indemnified Party and as the Company may reasonably request. The failure or delay to provide such notice, however, shall not release the Company from any of its obligations under this Section 8.02 except to the extent that it is materially prejudiced by such failure or delay.

(b) If for any reason the indemnification provided for herein is unavailable or insufficient to hold harmless the Indemnified Parties, the Company shall contribute to the amount paid or payable by the Indemnified Parties as a result of the Losses of the Indemnified Parties in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties, on the one hand, and the Company (including any Contract Servicer or subservicer), on the other hand in connection with a breach of the Company's obligations under this Agreement.

(c) If the Company confirms in writing to the Indemnified Party within fifteen (15) days after receipt of a Third Party Claim the Company's responsibility to indemnify and hold harmless the Indemnified Party therefor, the Company may elect to assume control over the compromise or defense of such Third Party Claim at the Company's own expense and by the

Company's own counsel, which counsel must be reasonably satisfactory to the Indemnified Party, provided that (i) the Indemnified Party may, if such Indemnified Party so desires, employ counsel at such Indemnified Party's own expense to assist in the handling (but not control the defense) of any Third Party Claim; (ii) the Company shall keep the Indemnified Party advised of all material events with respect to any Third Party Claim; (iii) the Company shall obtain the prior written approval of the Indemnified Party before ceasing to defend against any Third Party Claim or entering into any settlement, adjustment or compromise of such Third Party Claim involving injunctive or similar equitable relief being asserted against any Indemnified Party or any of its or his Affiliates; and (iv) the Company will not, without the prior written consent of each Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by its terms obligates the Company to satisfy the full amount of the liability in connection with such Third Party Claim and includes an unconditional release of all such Indemnified Parties from all liability arising out of such Third Party Claim.

(d) Notwithstanding anything contained herein to the contrary, the Company shall not be entitled to control (and if the Indemnified Party so desires, it shall have sole control over) the defense, settlement, adjustment or compromise of (but the Company shall nevertheless be required to pay all Losses incurred by the Indemnified Parties in connection with such defense, settlement or compromise): (i) any Third Party Claim that seeks an order, injunction or other equitable relief against any Indemnified Party or any of its Affiliates; (ii) any action in which both the Company (or any Affiliate) and the Indemnified Party are named as parties and either the Company (or such Affiliate) or the Indemnified Party determines with advice of counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the other party or that a conflict of interest between such parties may exist in respect of such action; and (iii) any matter that raises or implicates any issue relating to any power, right or obligation of the Federal Deposit Insurance Corporation (in any capacity) under any Law. If the Company elects not to assume the compromise or defense against the asserted liability, fails to timely and properly notify the Indemnified Party of its election as herein provided, or, at any time after assuming such defense, fails to diligently defend against such Third Party Claim in good faith, the Indemnified Party may pay, compromise or defend against such asserted liability (but the Company shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise). (a) General. Upon the occurrence of an Event of Default, in addition to any other rights it may have pursuant to this Agreement, any Ancillary Document or applicable Law (including the Uniform Commercial Code), whether at law or in equity and whether pursuant to statute or regulation or otherwise, and any or all of which may be exercised at Participant's option and the Company's expense, Participant shall have the right to take, at Participant's option and the Company's expense, one or more of the following actions: (i) upon notice in writing to the Company (effective at such time as is specified in such notice), to act on behalf of the Company to terminate the existing Contract Servicer (and any subservicers) and to cause the Company to enter into a new Servicing Agreement with a servicer (a "successor Contract Servicer") selected by Participant (in its sole and absolute discretion), and (ii) upon notice in writing to the Company (effective at such time as is specified in such notice), to terminate the Company's rights as servicer pursuant to this Agreement and, in such case, (A) to terminate the Contract Servicer and select (in its sole and absolute discretion), and enter into a Servicing Agreement with, a successor Contract Servicer, such Servicing Agreement to be between Participant and the successor Contract Servicer chosen by Participant, or (B) to retain the existing Contract Servicer and to enter into a new Servicing Agreement between Participant and the Contract Servicer (or to effect an assignment of the existing Servicing Agreement from the Company to Participant). Participant shall have no obligation to assume any obligations or liabilities of the Company under or in connection with any Servicing Agreement. Notwithstanding the foregoing, Participant shall not exercise its right to terminate the Contract Servicer in the absence of (1) an Event of Default as described in Section 10.01(a), (2) an Event of Default as described in Section 10.01(b) or Section 10.01(c) with respect to the Contract Servicer or, if the Contract Servicer is an Affiliate of the Company, with respect to the Company or any Affiliate of the Company, (3) an Event of Default as described in Section 10.01(e) or Section 10.01(h), or (4) any other Event of Default that consists of a breach of a servicing obligation under this Agreement. In addition, the Company hereby consents to the immediate

termination of the Contract Servicer upon the occurrence of any Event of Default described in Section 10.01(b).

(b) Appointment of Successor Servicer. If Participant exercises its right to act on behalf of the Company to appoint a successor Contract Servicer, the costs and expenses associated with such successor Contract Servicer (including any servicing fees) shall be borne by the Company (and not Participant), and no termination or other fee shall be due to the Company or the Contract Servicer or any subservicer in connection with or as a result of any such action. All authority and power of the Company to act with respect to the terminated Contract Servicer shall pass to and be vested in Participant under this Section and, without limitation, Participant is hereby authorized and empowered, as attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the Company, any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination of the Contract Servicer and the replacement of the Contract Servicer with a successor Contract Servicer.

(c) Termination of Company's Rights as Servicer. If Participant exercises its right pursuant to this Section to terminate the Company's rights as servicer under this Agreement, all authority and power of the Company to act as servicer under this Agreement shall pass to and be vested in Participant under this Section and, without limitation, Participant is hereby authorized and empowered, as attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the Company, any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination and replacement of the Contract Servicer and, in the event Participant decides to retain the Contract Servicer, to enter into a new Servicing Agreement between Participant and the Contract Servicer or to effect an assignment of the existing Servicing Agreement from the Company to Participant. Participant shall have and be entitled to exercise all rights of the Company as servicer under this Agreement and the costs and expenses associated with any such successor Contract Servicer or the existing Contract Servicer (including any servicing fees) shall be borne by the Company (and not Participant).

(d) Cooperation To Facilitate Transfer. In any event, if a Contract Servicer or subservicer is terminated pursuant to the provisions of this Article X, the Company shall, and shall cause any Contract Servicer (and any subservicer) to, provide Participant and any successor Contract Servicer in a timely manner with all documents, records and data (including electronic documents, records and data) requested by Participant or any successor Contract Servicer to enable it and any successor Contract Servicer to assume the responsibilities as servicer under this Agreement, and to cooperate with Participant in effecting the termination of any Contract Servicer (or subservicer) or the Company's rights as servicer under this Agreement, including (x) the transfer within one (1) Business Day of all cash amounts which, at the time, shall be or should have been credited to the Collection Account or are thereafter received with respect to any Loans or Acquired Collateral, and (y) the transfer of all lockbox accounts with respect to which payments or other amounts with respect to the Loans are directed or the redirection of all such payments and other amounts to such account as Participant may specify, and (z) the assignment to Participant of the right to access all such lockbox accounts, the Collection Account, the LIP Account and any other account into which Loan Proceeds or Borrower escrow payments are deposited or held. Following the taking of any action pursuant to this Article X, the Company shall continue to be entitled to be reimbursed for Company Advances but only to

the extent that it was entitled to reimbursement of Company Advances prior to such action. The Company shall be liable for, and Participant shall be entitled to deduct from the Company Share, all costs and expenses incurred by Participant (x) associated with the complete transfer of the servicing data, (y) associated with the completion, correction or manipulation of servicing data as may be required to correct errors or insufficiencies in the servicing data to enable Participant and any successor Contract Servicer (and subservicers) to service the Loans and Acquired Collateral properly and effectively, and (z) to retain and maintain the services of a successor Contract Servicer (and any subservicers). Within a reasonable time after receipt of a written request of the Company for the same, Participant shall provide reasonable documentation evidencing such costs and expenses, but Participant's right to deduct such costs and expenses from the Company's Share shall not be subject to or contingent upon the provision of such documentation.

(e) Power of Attorney. The Company hereby irrevocably constitutes and appoints Participant and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact for the purposes of this Agreement and allowing Participant to perfect, preserve the validity, perfection and priority of, and enforce any lien granted by this Agreement and, after the occurrence and during the continuance of any Event of Default, to exercise its rights, remedies and powers and privileges under this Agreement. This appointment as attorney-in-fact is irrevocable and coupled with an interest until this Agreement is terminated and the security interests created hereby are released. Without limiting the generality of the foregoing, Participant shall be entitled under this Section 10.02(e) to do any of the following if an Event of Default has occurred and is continuing: (i) ask, demand, collect, sue for, recover, receive and give receipt and discharge for amounts due and to become due under and in respect of any or all of the Loans; (ii) file any claims or take any action or proceeding in any court of law or equity that Participant may reasonably deem necessary or advisable for the collection of all or any part of the Loans, defend any suit, action or proceeding brought against the Company with respect to any Loan, and settle, compromise or adjust any such suit, action or proceeding; (iv) execute, in connection with any sale or disposition of the Loans, any endorsements, assignments, bills of sale or other instruments of conveyance or transfer with respect to all or any part of the Loans; (v) enforce the rights of the Company under any provision of any Servicing Agreement to the extent permitted thereunder and under the terms of this Agreement; (vi) pay or discharge taxes and Liens levied or placed on the Loans; (vii) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Loans as fully and completely as though Participant were the absolute owner thereof for all purposes; and (viii) do, at Participant's option and the Company's expense, at any time and from time to time, all acts and things that Participant reasonably deems necessary to protect, preserve, or realize upon the Loans and Participant's security interests therein and to effect the intent of this Agreement, all as fully and effectively as the Company might do. Anything in this Section to the contrary notwithstanding, Participant agrees that it shall not exercise any right under the power of attorney provided for in this Section unless an Event of Default shall have occurred and be continuing.

(f) Offsets. Without limiting any other rights of Participant hereunder, in the event Participant exercises any rights or remedies as a result of or in connection with the occurrence of an Event of Default, all costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating,

defending, asserting or preparing the defense or assertion of any claim) incurred by Participant with respect thereto may be offset by Participant against the Company's Share.
