### Highlights:

- The FDIC webinar will focus on increasing lenders' awareness and understanding of available state and federal mortgage lending products and resources. Participants can register for the webinar [here](#).
- Featured speakers will include representatives from the Federal Home Loan Banks of Cincinnati and Boston, as well as the Maryland Department of Housing and Community Development. In addition, a bank mortgage lending executive with experience in combining mortgage programs to address borrower needs will discuss practical approaches to using state and federal programs and other resources.
- The webinar also will highlight the *Affordable Mortgage Lending Guide*, a three-part publication that takes an in-depth look at products and programs to expand access to affordable mortgage credit. The Guide includes Part I: Federal Agencies and Government Sponsored Enterprises, Part II: State Housing Finance Agencies, and Part III: Federal Home Loan Bank System.
- The Guide is available through the FDIC's Affordable Mortgage Lending Center (<https://www.fdic.gov/mortgagelending>), a website that provides easy access to all of the program information found in the Guide.
