Subject: [EXTERNAL MESSAGE] July 31, 2024 - Bank-Fintech Arrangements Involving Banking Products and Services Distributed to Consumers and Businesses; Comment Request (RIN 3064-ZA43)
Date: Saturday, September 21, 2024 10:45:08 AM

I always thought that I lived in a country where my investment in a banking system was protected. This situation has opened my eyes about banks and their power in our country. We have been lied to. We have been stolen from. And no one has done anything about it. I did not think this could happen here in the US. This scares me and should scare everyone.
